

Brussels high performance energy storage box price

Overview

Who needs energy storage battery solutions (Bess)?

Businesses, industries or public authorities. Increase the share of wind or solar power in your energy mix with our energy storage battery solutions (BESS).

How can equans help you build a battery energy storage system?

As a partner in your energy transition, Equans can help you build your Battery Energy Storage Systems (BESS). Whether on the scale of your company, industry or town, or as part of the creation of large-scale battery parks, we'll support you from A to Z, managing all interfaces with your systems.

Why should you install a battery energy storage system?

Among the advantages of installing a battery energy storage system, securing the energy supply of your business, industry or city is a major asset. But it's not the only one.
