

EU Solar Tile Manufacturers

Overview

Who makes sunstyle® roof tiles?

SunStyle International, a subsidiary of the Akuo Group, is a French co-designer and manufacturer of solar photovoltaic roof tiles. In addition to their roofing function, the SunStyle® tiles combine power generation with a contemporary style to create buildings that meet environmental challenges.

What are autarq solar roof tiles?

Roof tile and solar module in one. Autarq solar roof tiles are original roof tiles with integrated miniature solar modules. They are almost indistinguishable from regular roof tiles and blend seamlessly into the overall aesthetic of your roof. Gain freedom from electricity suppliers and soaring prices.

Are solar tiles available in the UK?

Solar tiles are a relatively new product and as such only a limited number of manufacturers offer them in the UK. Tesla are the biggest brand offering solar tiles and you are able to pre-order in the UK via their website (with a deposit), but Tesla are yet to confirm when installations will begin.

How to choose a solar roof?

Choose the size of your Autarq solar roof freely and depending on your energy needs. Just as durable as original roof tiles. Transform your roof into an attractive power generator – regardless of its shape or size. The Autarq system is modular, making it perfect even for complex roof surfaces.
