

High quality himel circuit breaker factory

Overview

Who is Himel?

Himel commences design and manufacture in a state-of-the-art facility in China to meet the demand for high-quality electrical products. Launch of low-voltage power products in 2009 lays the groundwork of the comprehensive portfolio for electrical infrastructure in residential, commercial and industrial sectors.

Where is Himel made?

Himel starts international operations with production at a new state-of-the-art facility located in China. Himel's brand strategy is redefined with the launch of low-voltage power products, designed for robust electrical infrastructure.

Is Himel a B2C brand?

With new marketplace positioning, Himel becomes a go-to brand for reliable and safe electrical products. Venturing into B2C digital retail, Himel starts offering products through Lazada, Shopee, Blibli, JD.ID and Tokopedia in Asia. Operations start in Ivory Coast and Benin—Himel becomes available in 50+ countries.

What is Himel brand strategy?

Himel's brand strategy is redefined with the launch of low-voltage power products, designed for robust electrical infrastructure. Himel brand targets upcoming economies launching 3 Series, an affordable range of value-engineered electrical products.
