

# Ljubljana Ecological solar container energy storage system

## Overview

---

What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Who is LZY energy storage?

Founded in 2012 Shanghai LZY Energy Storage Co., Ltd., based in Shanghai, China, is a comprehensive enterprise integrating R&D, production, and sales, specializing in industrial manufacturing and energy storage solutions. LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales.
