

# Mobile Energy Storage Container 30kWh Product Warranty

## Overview

---

What is compact energy storage system (ESS)?

Compact Energy Storage System (ESS) is a mobile battery energy storage system that can serve as a supplement to traditional mobile power solutions. The MP1230 adopts a 12kw three-phase inverter and a 30kwh battery capacity, with a compact size, energy saving and environmental protection, high efficiency and reliability.

What is a 30kW power output & capacity?

High Capacity: The 30KW power output and 30KWH capacity deliver reliable energy storage and backup for businesses. This makes it an essential tool for battery energy storage solutions across various industries.

What makes ESS 30kW 30kWh a good battery?

Advanced Lithium Battery Manufacturing for Efficiency Built with the latest in lithium battery manufacturing technology, the ESS 30KW 30KWH system is compact and highly efficient, providing a long lifecycle with minimal maintenance requirements.

What is genkx mp1230 compact energy storage system?

GENKX MP1230 Compact Energy Storage System (ESS) is a mobile battery solution with 12kW three-phase inverter and 30kWh capacity. Ideal for backup power, it features high efficiency, compact design, and eco-friendly operation. Perfect for residential and commercial use.
