

Outdoor power strip

Overview

Can you use a power strip outside?

Never Use Indoor Power Strips Outdoors While there are power strips that are designed for outdoor applications, unless your strip's packaging specifically says it's suited for outdoor use, it's not designed to stand up to weather and water. Keep it inside and find one you can use safely out in the elements.

What are outdoor power strips?

Outdoor power strips are a convenient and practical solution for anyone who wants to power multiple outdoor devices. These power strips are designed to withstand the elements, making them perfect for use in gardens, patios, or decks.
