

What is the solar container battery company in Mozambique

Overview

Will Cuamba solar deliver clean power to the Mozambican grid?

Mike Scholey, Globeleq's CEO remarked: "We are extremely excited to now have Cuamba Solar officially delivering clean power to the Mozambican grid via EDM and supporting both the local economy and the Government's efforts to build more renewable power.

Why should you invest in the Cuamba solar and storage plant?

"The Cuamba solar and storage plant will provide greater energy security and stability in this region of Mozambique and marks a turning point for the Cuamba district. Globeleq, Source Energia and EDM have all invested in this project – a public-private partnership that demonstrates the confidence of international investors in Mozambique.

What is Globeleq's first greenfield project in Mozambique?

The US\$36 million Cuamba Solar plant is also Globeleq's first greenfield project in Mozambique and the Group's first combined solar and storage plant in its operating portfolio.

Who inaugurated the Cuamba solar plant?

On 14 September 2020, H.E. Filipe Nyusi, President of the Republic of Mozambique, Hon. Carlos Zacarias, the Minister of Mineral Resources and Energy and other distinguished guests officially inaugurated the Cuamba Solar plant, which is Mozambique's very first combined utility-scale solar and energy storage plant.
